A PERMANENT RESIDENT/AUSTRALIAN CITIZEN MEDICAL PRACTITIONER**

Thank you for your application for an exemption under section 19AB of the *Health Insurance Act 1973* (the Act) received on 27 May 2013.

Because you were first recognised as a medical practitioner in Australia after 1 January 1997, you are subject to the ten year moratorium on overseas-trained doctors. Therefore, this exemption is necessary to enable you to attract Medicare benefits for the professional services you provide.

Please familiarise yourself with the particular conditions pertaining to your exemption and retain the document for future reference.

It is important that you note that the exemption is location and time specific. In addition, it is your responsibility to ensure that your medical registration and visa are current. Failure to do so may result in your deregistration by the Medical Board of Australia.

This exemption has effect from 03 June 2013 to 02 June 2014. It ceases to have effect if you leave Australia.

If you require an extension to this exemption beyond the stated time period or you wish to apply to practice at another location you should contact the Department of Human Services - Medicare. Please ensure that you allow sufficient time for examination and consideration of future requests. This process may take up to 28 days. Applications are processed according to the date of receipt.
